SECU Named to the Forbes Best-In-State Credit Unions 2022 List

BALTIMORE (June 23, 2022) – [SECU](#), Maryland's largest state-chartered credit union, was named to the Forbes list of Best-In-State Credit Unions 2022. This prestigious award is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on June 21, 2022 and can currently be viewed on the [Forbes website](#).

Forbes and Statista identified Best-In-State Credit Unions 2022 based on an independent survey of approximately 26,000 US consumers who were asked to rate credit unions at which they have or previously have had checking accounts. Participants made recommendations regarding overall satisfaction; they also assessed banks in the following areas: Trust, Terms & Conditions, Branch Services, Digital Services, Customer Service, and Financial Advice.

"We are thrilled to be honored by Forbes as one of the Best-In-State Credit Unions for 2022," said Dave Sweiderk, president and CEO at SECU Maryland. "Being named to this elite list is a direct reflection of the trust our members put in SECU Maryland. It is our goal to honor that trust, surpassing our member's expectations, and continuing to evolve in order to best meet their needs in the years to come."
